IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF COLORADO Senior Judge Wiley Y. Daniel

Civil Action No. 15-cv-02026-WYD

WILDEARTH GUARDIANS,

Plaintiff,

٧.

SALLY JEWELL, in her official capacity as U.S. Secretary of the Interior, U.S. DEPARTMENT OF THE INTERIOR, and U.S. OFFICE OF SURFACE MINING AND RECLAMATION.

Defendants.

ORDER

Daniel, J.

THIS MATTER comes before the Court on an action under the Administrative Procedure Act involving multiple coal mining decisions by the Federal Defendants affecting coal operations in Colorado, Wyoming, and New Mexico.

Under the Court's local rules of practice, D.C.COLO.LAPR 1.1. *et seq.*, the AP judge manages an administrative appeal through briefing, after which it is returned to the Clerk's Office to be drawn to a judge like any other civil case under D.C.COLO.LCiv.R 40.1.

On September 15, 2015, this case was assigned to me as the AP judge. In an attempt to expeditiously move this case along, I ordered the parties to submit a proposed Joint Case Management Plan ("JCMP"), which was finalized and issued on October 20, 2015. (ECF No. 8). In November, multiple motions to intervene were filed

Case 1:16-cv-00605-RJ-SCY Document 44 Filed 01/20/16 Page 2 of 2

along with the Federal Defendants' Motion to Sever and Transfer this Action. Based on

my review of the pending motions, this matter is replete with disputed procedural and

substantive issues related to the motions to intervene and the Federal Defendants'

request for transfer and severance. I find that resolution of the issues raised in the

pending motions, coupled with the fact that this case was filed more than 4 months ago,

would significantly impact the calendar of the assigned merits judge. Accordingly, I

believe that I should refrain from resolving such issues to avoid binding the merits judge

to a schedule or ruling which he or she may decide differently.

For the foregoing reasons, this case is REMITTED to the Clerk for immediate

random assignment to a merits judge under D.C.COLO.LCiv.R 40.1.
